

THE PANNAVERSE

AN UPCYCLED LOW COST PANNA COURT

WE BELIEVE THAT SPORT
BRINGS PEOPLE TOGETHER

PANNA IS A GAME OF
FOOTBALL ON A SMALL PITCH.
TO WIN YOU MUST SCORE THE
HIGHEST NUMBER OF GOALS OR
DO A "PANNA"

MEET THE TEAM OF FOUR CARPENTRY APPRENTICES:

SIMONE SØRENSEN (CABINET MAKER)
JULIE TOLBOD (CARPENTER)

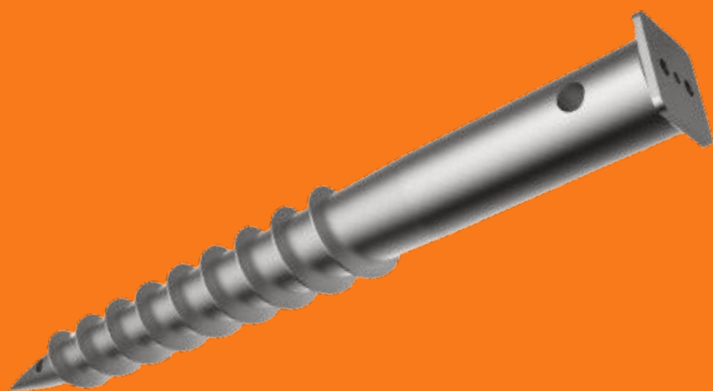

LAURA KOCK (CABINET MAKER)
AJA WRØNDING (CABINET MAKER)

PLEASE NOTICE...

THE PANNA COURT
IS BUILD ONLY FROM UPCYCLED
MATERIALS

WE USED "JORDSKRUER" TO SHOWCASE A NEW TECHNOLOGY WHICH ENABLES EVERYBODY TO BUILD A SUSTAINABLE FOUNDATION WICH CAN BE MOVED AND USED AGAIN SOMEWHERE ELSE. THIS HAS THE POTENTIAL TO SIGNIFICANTLY REDUCE THE CARBON FOOTPRINT OF THE CONSTRUCTION INDUSRTY

THE COURT CAN EASILY BE TAKEN APART AND FLAT PACKED

WE PREFER SCREWS OVER GLUE AS IT MAKES
THE CONSTRUCTION REVERSIBLE

A SPECIAL THANKS TO OUR
COOPERATORS

THE FOOTBALL NET IS AN OLD
ONE FROM A COPENHAGEN
BASED FOOTBALL CLUB - THE
PANNAVERSE WILL BE
DONATED TO THAT CLUB
WHEN THE FESTIVAL IS OVER
