FIRST BCS MINOR +FIELD EXPERIENCE PROJECTS

GAP YEAR WITHOUT A GAP YEAR

What if you could have the **gap year experience**, without the gap year? Bildung Climate School (BCS) a unique, intensive, immersive personal and community development experience, combining **MBO, HBO and university** students and teachers.

Here, you'll find your **purpose**, **solve real-world problems**, **gain practical sustainability skills**, take part in an **internship** with local companies to work on actual sustainability challenges and earn **15 ECTS**.

What to expect?

Bildung Track	Sustainability Track	Project Track
- personal resilience - artistic skills (martial arts, cooking, sewing) - sustainability knowledge	- field trips - guest lectures - workshops - practical skills	- work experience - local Rotterdam companies - real-world field experience projects

PROGRAM OVERVIEW

KICK OFF	Cognitive		Individual		Group		Community		Global +Show	
31 AUG	1	2	3	4	5	6	7	8	9	6 NOV
	S	R	R	R	R	S	R	R	R	S

S= Special Week R= Regular Week

Kick-off (31 Aug-1 Sep)

Two-day kick-off:

Get to know the BCS team, teachers, **project companies**, and your fellow students.
Think of **cooking** and eating together, doing **martial arts**, **exploring the city** and learning everything about the program.

Final Graduation Show

Final Graduation Show:

Each student team will design and showcase a unique **garmentpiece** inspired by the contents of their field-experience project. These creations will be showcased in a **student-led runway fashion show** and exhibition during the graduation show.

Portfolio and Grading

At the end of the minor you will **deliver a portfolio**.
The portfolio will be graded by BCS teaching staff and award you one **grade based on five criteria** rated on a scale from insufficient-sufficient-good-excellent.
