

BUILDING RENOVATIONS SHED SALE

About the sheds: Sheds are constructed by our students in Building Renovations and Construction Techniques as a graded project towards their final mark. This gives the students experience with a range of techniques commonly used in industry.

Specifications

Inside- 64" x 100" (5'4" x 8'4")

Outside- 77" x 113" (6'5" x 9'5")

Height- 117" (9'9")

Door- 34"
