

Ms Lily Cheng
Founder, Hubel Labs Ltd

Ms Lily Cheng is the founder of Hubel Labs, a boutique applied AI research and advisory firm. She also serves as an independent Non-Executive Director of public companies including Cathay Pacific Limited (HKSE: 0293) and Chow Tai Fook Jewellery Limited (HKSE:1929).

In addition to public directorships, Ms Cheng is also an external Non-executive Council member of international law firm, Herbert Smith Freehills Kramer LLP and a member of the statutory Board of Directors of the Government Technology Agency of Singapore (“GovTech Singapore”).

Between 2017 and 2025, Ms Cheng served on the boards of Swire Properties Limited, Sunevision Limited, Octopus Cards Limited, HBX Limited and the Digital Advisory Board of Mars Petcare. Prior to 2016, she was the President of Asia Pacific at TripAdvisor and held various senior executive positions at Expedia spanning across Beijing, Singapore, London and Hong Kong.

Ms Cheng holds a Bachelor of Arts degree in Engineering and a Master of Engineering degree with distinction from the University of Cambridge, as well as a graduate certificate in Artificial Intelligence from Stanford University.

Mr Cavinder Bull, SC

Chief Executive Officer, Drew & Napier LLC

Mr Cavinder Bull, SC, is the Chief Executive Officer of Drew & Napier and has held that position since 2017. He has a diverse practice as legal counsel and has argued a wide range of cases in the Singapore courts, in international courts as well as in international arbitration. Lexology Index named him the best commercial litigation lawyer in the world for 2024. He won that award again in 2025.

Mr Bull also sits as an arbitrator, mainly in investor-state disputes where he has presided over more than 20 cases involving countries from Europe, Africa, Asia and North America. He was appointed as one of Singapore's four nominees to the Panel of Arbitrators at the International Centre for Settlement of Investment Disputes (ICSID). Subsequently, he was appointed to the Chairman's Panel of Arbitrators at ICSID. Mr Bull was also a member of the World Bank Sanctions Board from 2016 to 2022, hearing cases under the World Bank's integrity system.

Mr Bull is Vice-President of the Court of Arbitration of the Singapore International Arbitration Centre (SIAC) and was previously the Deputy Chairman of SIAC. He is also an Advisory Board member of the International Council for Commercial Arbitration. He was also Vice-President of the Asia-Pacific Regional Arbitration Group, Chairman of the Singapore Stock Exchange's Disciplinary Committee and a member of the Securities and Industries Council.

Mr Bull studied law at Trinity College, Oxford University where he graduated with first class honours, winning the Bellot Prize for Public International Law. He clerked for Chief Justice Yong Pung How before attending Harvard Law School on a Lee Kuan Yew Scholarship where he graduated with an LL.M. Cavinder is called to the Bar in Singapore, New York as well as England & Wales. The Chief Justice of Singapore appointed him Senior Counsel in 2008. He is one of only a handful to have been accorded the honour before the age of 40.

Mr Tay Lim Hock

Advisor, GIC

Mr Tay Lim Hock was appointed Advisor to GIC on 1 July 2025. He is the Chairman of P3 Logistics Parks, Senior Advisor to Amundi Asia and a member of the Advisory Committee of National Storage.

Mr Tay joined GIC's Asian Private Equity (PE) team in 1995 and was posted to London in 2000 as Head of PE Europe, and to San Francisco in 2003 as Head of PE US. He became President of PE & Infrastructure in 2011. He returned to London as President (Europe) and Deputy Group Chief Investment Officer in 2017. He was concurrently appointed Chief Operating Officer in July 2019 to oversee investment services and operations, data and technology, and corporate administration. He was appointed Senior Managing Director of GIC in April 2024, assisting with large deal approvals, enterprise-level initiatives and overseeing the Finance Department.

Prior to joining GIC, Mr Tay worked as an aeronautical engineer with the Republic of Singapore Air Force. He holds a Master's degree in Aeronautical Engineering from l'Ecole Nationale de l'Aviation Civile and has completed the Stanford Executive Program.
