Follow-up graduates⁶

16. Bachelor of Arts (Architecture)^{6,7}
17. Bachelor of Medicine and Bachelor of Surgery^{6,7}
18. Bachelor of Science (Pharmacy)^{6,7}

⁵ Includes course(s) with sample size smaller than 30 or a response rate less than 70%.

⁶ Follow-up graduates refer to Architecture graduates from the Class of 2022/2023, who were surveyed either three years after obtaining their Bachelor of Architecture, or two years after completing their Master of Architecture (for those who pursued it). They also include Medicine and Pharmacy graduates from the Class of 2024, who were surveyed one year after graduation. This extended survey timeline allows all these graduates to complete essential practical training, such as pupillage, housemanship, first-year residency, or pre-registration training
