Roanoke Fire-EMS and Carilion Children's Safe Kids Partner Together to Bring Back Monthly Child Safety Seat Installations

WHAT: On the third Thursday of each month, Roanoke Fire-EMS and Carilion Children's Safe Kids will be conducting Child Safety Seat Checks. The monthly event will be held at Roanoke Fire-EMS Station 6 (1333 Jamison Ave SE) from 4:00pm-6:00pm, starting Thursday, July 15th.

No appointments are necessary. Seat checks are first come, first serve and will continue until each seat is installed. For families needing an appointment outside of the designated event time, please contact Carilion Children's Safe Kids at (540) 981-8075.

Each year, thousands of young children are killed or injured in car crashes. Proper use of car safety seats helps keep children safe. But, because so many different seats are on the market, many parents find this overwhelming. We are here to help provide children safe rides home!
