The Missouri Department of Health and Senior Services, Division of Administration, is issuing an Invitation for Bid (IFB), Rural Primary Care Physicians Grant Program for the provision of a rural primary care physicians grant program. The Rural Primary Care Physician Grant Program provides a financial award directly to a rural primary care physician beginning a practice after July 1, 2022, in a Missouri county with a population of fewer than thirty-five thousand (35,000) inhabitants in return for providing primary care clinical services in rural Missouri.

This funding cycle will be Notice of Award through June 30, 2027.

If you are interested in submitting a competitive bid to provide the needed services for the Department, you may obtain a copy of the IFB document from the MissouriBUYS, powered by MOVERS Bid Board at:

<https://missouribuys.mo.gov/bid-board/movers>

After downloading the entire document, it will also be necessary for you to check the same website location periodically until the time of bid closing in order to obtain any amendments to the IFB that may be issued later.

MOVERS bid Response Instructions are available at <https://missouribuys.mo.gov/media/pdf/movers-bid-response-instructions>.

Suppliers **must** be registered in the new MissouriBUYS, powered by MOVERS to respond to all solicitations AND to receive automatic email notifications of new bid opportunities that are aligned with their product/service offerings indicated in their supplier registration commodity code selections.

In the event you are unable to download the IFB document from the Internet or have questions regarding the IFB, please contact Janett Walker at Janett.Walker@health.mo.gov or by phone at 573-751-6032.
