**FORAGING AND GIN TASTING**

**BEST FOR:** Mum

**WHERE:** Dorset

IT'S amazing what you can find lurking along country paths – berries, brambles and enough edible ingredients to create a gourmet meal. Join Masterchef winner Matt Follas on a foraging tour through the countryside in Dorset, finding out what nature's larder has to offer. After exploring the hedgerows, head to the seashore to search for shells and seaweeds. Along the way, Matt will share his cooking tips.

At the end of the morning, there's an opportunity to share lunch with Matt, while he discusses how to use wild berries in gin. The gift day even includes a Kilner jar of gin to take home.
