

## All aboard for a breast examination

**A BUS headed to Breast-Screen in Ballarat is inviting all eligible women from Ararat and the surrounding areas to jump on board in June. Seventy five percent of women are over the age of 50 when diagnosed with breast cancer, and the free event will focus on women in the age group of 50-75.**

**“The earlier you are diagnosed the better,” East Grampians Health Service breast care nurse Sarah Carter said.**

**The trip departs from the Community Health Centre on June 22. To book contact EGHS on 5352 9327.**

Bus trip for BreastScreen.
